Transforming Professionals Through **Impactful Communication**

Executive Education

ABOUT A TEAM ACADEMY

A Team Academy is a leading Speech & Debate Academy in Thailand dedicated to empowering young learners to find their voice, think critically, and express themselves with confidence. Since 2020, A Team Academy has provided high-quality programs in Speech & Debate, Public Speaking, and Writing for students aged 6 to 17.

At A Team Academy, we believe that communication is a cornerstone of success — both in academics and in life. Our programs are designed to help students develop confidence, clarity, and critical thinking, while fostering teamwork, leadership, and creativity. Through engaging lessons, interactive workshops, and real-world practice, students learn to communicate their ideas with purpose and impact.

In addition to our training programs, A Team Academy organizes Speech & Debate tournaments that give students opportunities to challenge themselves, showcase their skills, and connect with like-minded peers in a supportive environment.

ABOUT

A Team Academy

Executive Education

Our Executive Education offers professional development programs designed for corporate executives and professionals who want to strengthen their communication, presentation, and leadership skills.

Our goal is to help professionals communicate with confidence and impact in any setting. Through hands-on workshops and practical coaching, participants learn to express ideas clearly, engage audiences effectively, and lead with authenticity.

Each program blends proven communication techniques with real-world applications, enabling participants to immediately apply what they learn in meetings, presentations, and everyday business interactions.

OUR PROGRAMS

We offer two learning programs to help professionals and organizations strengthen their communication and leadership capabilities. Whether it is for the growth of individuals or upskilling the entire team, our programs are designed to deliver lasting impact.

Public Workshop

Take your communication skills to the next level with our intensive public workshops.

Our workshops are designed for individuals who want to speak with confidence and present with impact, each session offers practical techniques, real-world exercises, and personalized feedback.

With our extensive network of communication experts, we help professionals how to communicate with clarity, influence, and authenticity — whether you're presenting, pitching, or leading.

Corporate Training

Empower your team with the communication skills that drive success.

Our customized corporate training programs are built around your organization's needs, from persuasive communication and executive presence to confident public speaking.

We partner with businesses to design interactive, results-driven learning experiences that strengthen teamwork, leadership, and influence across every level of the company.

OUR VALUE PROPOSITION

As the No.1 Speech and Debate Academy in Thailand, A Team Academy brings unmatched expertise in communication and presentation training. Our extensive network of communication professionals and industry experts allows us to deliver programs that blend academic insight with real-world relevance.

We take a learner-centered approach, designing and customizing training solutions that align with the unique goals of individuals and organizations. This ensures every program we deliver is practical, engaging, and results-driven.
